Through continued diligence and compliance Romiley Young Farmers Show aims to maintain its' excellent Health and Safety record. Please remember that the Agricultural Industry accounts for **16% of all workforce related fatalities** in Great Britain.

Of the 489 Agricultural Industry related deaths recorded in the 10 years between 1999 and 2009
32 were children under the age of 16 years old

A number of incidents have also since been recorded where equipment failure has been sited as the cause of death or serious injury

**HEALTH AND SAFETY IS THE RESPONSIBILITY AND DUTY OF ALL
 IGNORANCE, CARELESSNESS AND COMPLACENCY COSTS LIVES**
