Newsletter July 2024

Would you believe it I'm sat out writing this newsletter, first this year but then it is nearing the end of July and guess what torrential rain forecast for tonight. Summer where are you??

I'm afraid this last month there isn't very much at all to report on, in fact all I can come up with is our kitchen duty at Woodley Civic Hall on the 8th June. We are responsible for taking on the running of the kitchen on these dates with the profit going to the Club. They are never busy but say we only raise £25 it's £100ish a year to funds so worthwhile. We hold a raffle or tombola at each of these and give the funds to Reuben's Retreat, our choice as could also go to Club funds, this last one raised £31 for them and they are always grateful. If anyone is interested in helping or has an idea please just say.

We postponed our last Afternoon Tea on the 11th July and have rescheduled for the 1st August at Lymefield Garden Centre, if anyone wishes to join just let anyone of us know - anyone more than welcome. They are reported as being really nice from here with hot scones still warm from the oven.

We have Sports Day combined with archive sorting planned for the 11th August 2pm at our Presidents on Arden Road, Bredbury. We also have a BBQ at this event, sauces and BBQ is provided but you will need to fetch your own actual food and for those willing if you fancy baking something for our share table would be lovely.

Pig Racing night has been changed to the 22nd November at 8pm Woodley Civic Hall. What a cracking night out that was last year for all the family, more details to follow nearer the time but if we can increase numbers and build on this that would be terrific. Keep the date free!

We are still to organise horse and beef stockjudgings for this year but hopefully dates will follow soon before, dare I say, the darker evenings come in. Once these are booked we will be able to organise our 2 memorial events in memory of Cyril Barlow and Bernard Thorpe. We were thinking along the lines of a games board afternoon where we would play 4 or 5 games and get points for placings/wins and the most points is the winner - snakes and ladders, connect 4, dominoes, doodle and gnomes have been suggested. At this event we would be able to judge, by public opinion, the other event which we were thinking of being any item made costing less than £5. More details of all these to follow.

Also in the pipeline is our Annual Snowman Drive with the appearance of probably not Santa but our very own "The Cheater"!!! This is a lovely afternoon with modified Beetle Drive, Christmas Jumpers and yes you've guessed more cake planned for the 8th December. Then there's table tennis and darts to follow in January but more details to follow.

Keep smiling.
