Through continued diligence and compliance Romiley Young Farmers Show aims to maintain its' excellent Health and Safety record. Please remember that the Agricultural Industry accounts for **16% of all workforce related fatalities** in Great Britain.

Of the 489 Agricultural Industry related deaths recorded in the 10 years between 1999 and 2009

**32 were children under the age of 16 years old**

*Many other tragic incidents have since been recorded, some with siteing equipment failure as the cause of death or injury*

**HEALTH AND SAFETY IS THE RESPONSIBILTY AND DUTY OF ALL  
 IGNORANCE, CARELESSNESS AND COMPLACENCY COSTS LIVES**

Use this form to identify and record all Hazard & Risk potential WITHIN YOUR IMMEDIATE ACTIVITY, ENGAGEMENT AND VICINITY. Examples of this might be: Slips, trips and falls; working with heavy plant and machinery, working with chemicals, compounds and liquids deemed hazardous to health, working with large animals (startle, bolt or kick risk). Also, working with electricity and/or electrical equipment, working with or showing moving part machinery, vehicles, rides and/or attractions. Manual handling of heavy objects. Erecting of venues, facilities and accommodations. Working at height, working with ropes and scaffold. Working with percussive devices (lump hammers, mallets, sledge hammers etc). This list is not fully encompassing. In addition to these few suggestions you will undoubtedly be aware of Risk & Hazard potentials specific to your Activity or Engagement.

**Prior to your arrival at Romiley Young Farmers Show please identify and record ALL Hazard Potentials overleaf. Indicate what specific Control Measures you have in place to reduce and minimize the Risk of them developing into a Hazardous situation.**

**PLEASE COMPLETE, SIGN AND RETURN THIS DOCUMENT WITH YOUR PAYMENT AND APPLICATION. UNFORTUNATLEY IT IS NOT POSSIBLE TO LEGALLY GRANT ENTRY TO THE SHOWGROUND TO EXHIBITORS AND TRADERS WITHOUT THE SUBMISSION OF A COMPLETED HEALTH AND RISK ASSESSMENT**

**Thank you for helping make Romiley Young Farmers a safe Show**

Completion Notes

Probability	Severity	Risk
1: Unlikely	1-3: Incidental to Minor	1-3 Low Risk
2: Possible	4-6: Notable to Reportable	4-6 Medium Risk
3: Probable	7-9: Severe to Fatal	7-9 High Risk

**NB: It is the responsibility of the individual to ensure task specific PPE is worn AT ALL APPROPRIATE TIMES**

Romiley Young Farmers Health and Safety policy is put in place to protect you and those around you. It also aims to protect equipment and the environment and maintain Romiley Young Farmers Shows' exemplary Health and Safety record.

Inappropriate and/or dangerous actions or behaviour will not be tolerated and may lead to civil prosecution.

In the event of a reportable incident please notify Mr M Lu-Hilson and complete relevant Show Incident Log entry. In the event of a more severe incident please notify Mr M Lu-Hilson and complete relevant Show Incident Log only after appropriate Emergency service(s) have been contacted, or the incident has passed. This includes near misses.

For the safety of all the Show Ground enforces a **MAXIMUM 5 MPH** Speed limit whilst open to the public
